

## We deliver as fast as the speed limit.

Now you can get Prolamsa quality faster than ever.

We produce mechanical tubing at our new Laredo facility and stock a broad range of HSS and metal building components nearby.

**So, you can get a mix of sizes on a truckload, as well as shorter lead**

**times, quicker turn-around times, more scheduling flexibility and JIT programs.**

- Mechanical Tubing
  - rounds 1/2" to 3"
  - squares 1/2" to 2 1/2"
  - rectangles up to 4" x 1 1/2"

- Structural Steel Tubing (HSS)
  - rounds 2 7/8" to 6 5/8"
  - squares 2" to 5"
  - rectangles 3" x 2" to 6" x 4"
- Metal Building Components
  - purlins, eave struts, angles and channels
