

Information at your fingertips 24/7/365

No matter where you are, no matter what you need to know, or when you need to know it, you can get the answers with ProLink™, Prolamsa's new Customer Information System (CIS)... (Coming Soon.)

With ProLink, you can get the information day or night, on your computer, laptop or BlackBerry. ProLink gives you the ability to enter orders; check certificates of quality, rolling schedules and invoices; print mill test reports or bills of lading, you-name-it.

Learn more about ProLink by calling us at 281-494-0900 or by visiting us on the web.

Wherever, whenever.

Professional. Proactive. Pro-Customer.
